DESIGNS IN COMBINATORICS AND STATISTICS

LMS/EPSRC Short Course

Queen Mary, University of London, 9-13 September 2002

Organisers: R. A. Bailey and P. J. Cameron

Provisional Timetable

Wednesday afternoon has been left free for excursions. In the problem sessions, the students will work on written problems provided by the lecturers under the guidance of two post-doctoral research assistants.

In the provisional timetable below, C2 denotes the second lecture in Combinatorial Design, G1 the first guest lecture, and so on.
